NEW GRADS 2015

CS account – Life line!

- For mailing lists- grads@cs.utah.edu ;
colloq@cs.utah.edu ; jobs@cs.utah.edu
- CS account necessary to subscribe to cs mailing lists
- Forward account to the one you use the most!!!
- We NEVER ask for passwords!

Why read cs mail?

- a) To find out about CS events
- b) To know of job/internship opportunities
- c) To know of document submission deadlines
- d) To know of funding deadlines
- e) UDLS is in the LCR – MEB 3147 – every Friday evening
- f) **All of the above!!!** 😊

Finding Funding

- TA positions - application
- RA positions in our department
- RA positions in other departments
- Work-Study positions = only for Permanent Residents and Citizens

Tuition Benefit Program (TBP)

- TB for short
- TA – Graduate Teaching Assistant
- RA – Graduate Research Assistant
- GA – Graduate Assistant (may have same job description as TA or RA, just paid from a different fund. No health insurance included)
- GA - SoC Fellowship funded students
- GF – Graduate Fellow – different from SoC Fellowship funding

TBP continued

- Requirements:
 - Enroll in **9 credits** per semester
 - On payroll according to TBP policy
 - \$7,000 per semester = 100% TB (20 hours per week)
 - \$5,250 per semester = 75% TB (15 hours per week)
 - \$3,500 per semester = 50% TB (10 hours per week)
- MS Students – max 4 semesters of TB
- PHD Students with BS upon arrival - 10 semesters of TB
- PHD Students with MS upon arrival – 8 semesters of TB
- Petitioning for extensions may apply
- **Domestic students on TBP** – when at **40 credit hours** must apply for residency status.

TBP continued

- GPA \geq 3.0
- If GPA falls below 3.0, you are covered for that semester but lose TB for next semester
- If drop below 9 credits = lose TB
- If failing class, thus essentially drop below 3.0, you're covered for that semester
- **EU grade** = Unofficial withdrawal – you are still enrolled but did not attend. Treated as failing grade (E) for GPA
- **EU grade = can make you fall below 9 credits enrollment = lose TB = have to repay the tuition fully**
- **TBP does NOT cover a dropped course! = you owe the money**
- TUITION BENEFIT ENROLLMENT – DUE EVERY SEMESTER before Tuition Due Date.
- Electronic Verification System

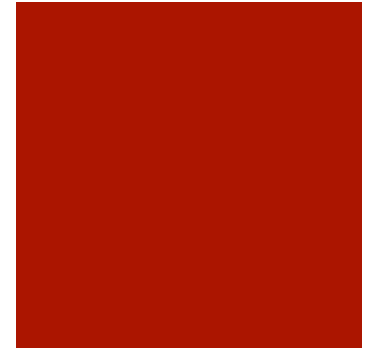

Cheating Policy

- Check with Professor on how much you can collaborate with peers.

**Cheaters
Never
Prosper**

Union Building

- International Center
- U – Card office
- Career Fair
- Food Courts
- Computer Lab on bottom floor, below food court
