- MOBA: Multiplayer online battle arena
- Two teams
- 10 players
- Objective: destroy enemies' base
- Playable **Heroes**: 115
- Available **Items**: 153

What is Gaming Supervisor?

An application targeted towards beginners familiar with DotA 2 concepts, and want to get better at the game.

One central goal - **make the user feel that DotA 2 is fun**.

We believe less deaths, more kills, and the feeling of accomplishment all lead to **fun**

We aim to help players achieve those goals.
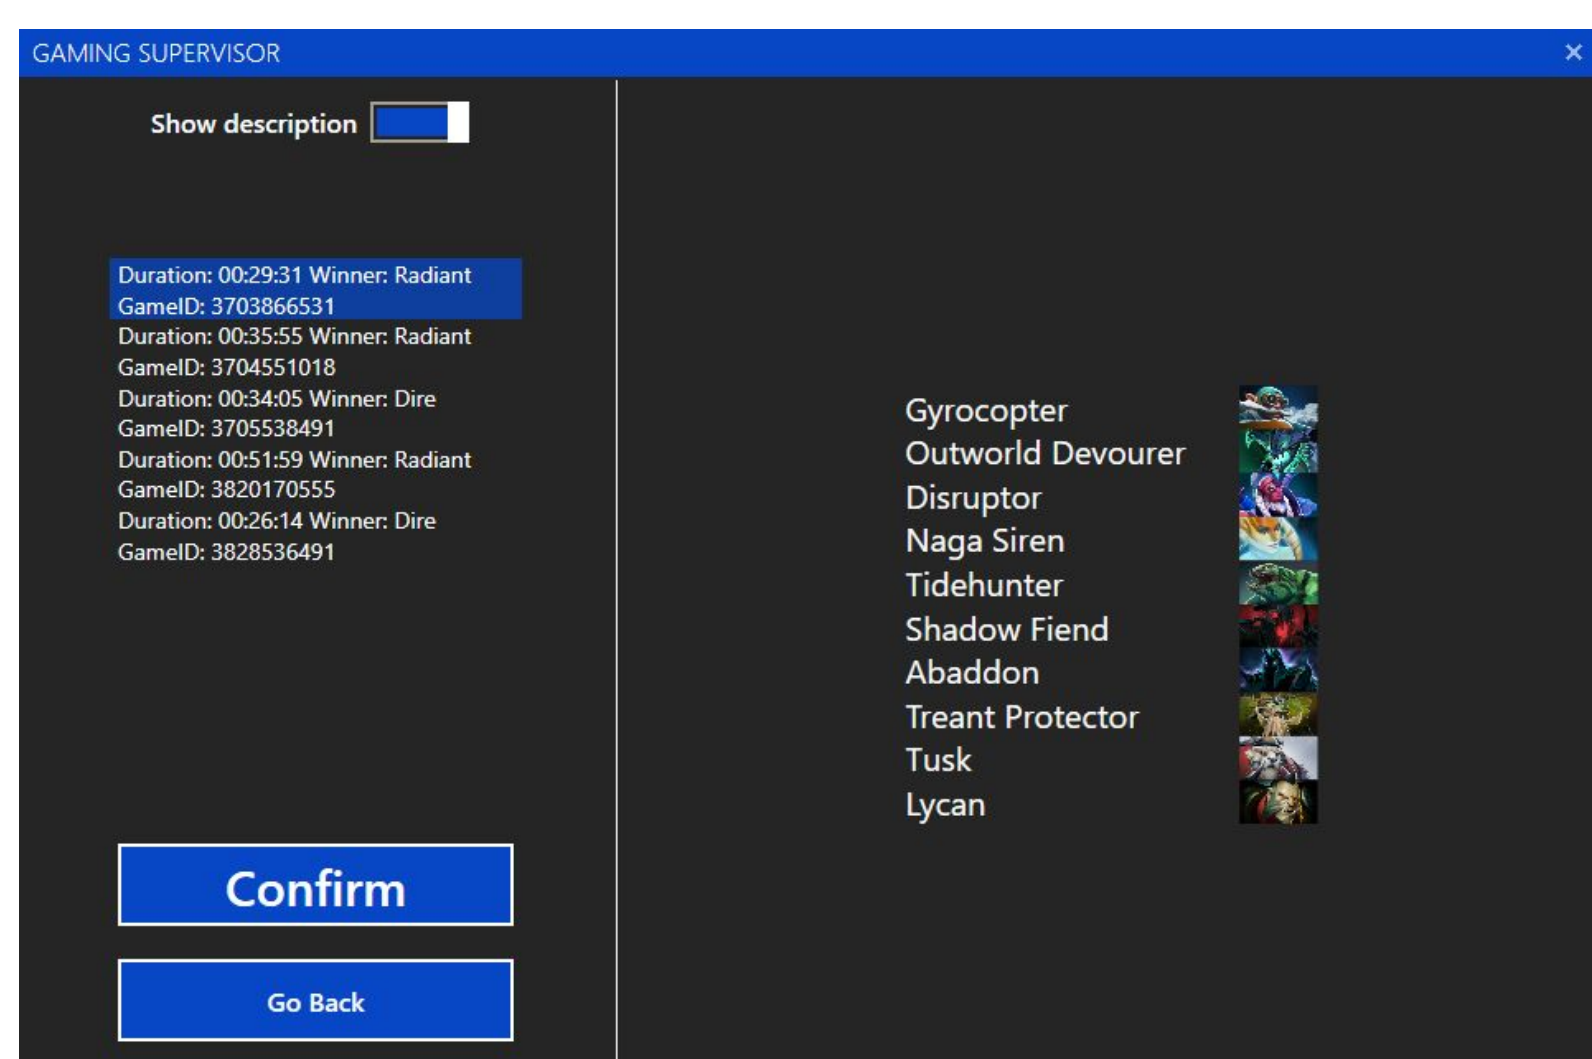

Key features

Item Suggestion → Health Graph → Hero Selection → Low Health → Highlight Bar
